Erubiel Durazo is free!

Erubiel Durazo just hit a home run in his first at-bat as an Oakland Athletic. Here's to Durazo enjoying a great couple of years as an Athletic!

And a good omen for Terrence Long, too, as he starts off the season with a single.

Even Ramon Hernandez is working the count in his first at-bat. He gets to a full count before putting the seventh pitch into left field for a hit!
