Duchscherer back

The Official Site of The Oakland Athletics: News: Duchscherer off DL and back on hill

So Justin Duchscherer is back, starting today against the Mariners, although it's not clear what the corresponding roster move will be. With Lenny DiNardo presumably moving back to the pen, I'd guess Dallas Braden will be sent back down? I can't imagine a need for two lefty longer-relievers. Or maybe DiNardo sticks in the rotation, Braden stays in the pen, and Greg Smith heads down for more seasoning. It's awfully hard to send down a guy with a 2.88 ERA, though, even if he's been a bit hit-lucky.
